The petitioner approached the 3rd respondent for measurement and demarcation of his property covered by Ext.P2. He has approached this Court complaining of undue delay in considering his request.

I have heard the learned Government pleader also. The learned Government pleader submits that several similar requests are pending and the same are being considered in the order of priority and they expect that the petitioner's turn would come by 31st of this month. This is recorded and the writ petition is closed. As soon as the petitioner's turn comes, respondents 2 and 3 shall complete the measurement and demarcation of the property.
